Subject: Undergraduate Scholarships for Fall 2025 – The American University of Cyprus (AUCY)

Dear Directors and Counselors,

We are pleased to announce that AUCY is offering a **50% scholarship on tuition fees for the full duration of undergraduate studies (4 years) to all students currently studying and graduating from any school in Cyprus.** This exclusive scholarship opportunity is available for students who will be commencing their undergraduate studies at AUCY in the **Fall 2025 semester.**

In addition to this initiative, AUCY continues to offer a range of scholarship opportunities, including:

- **Athletic Scholarships:** For students who join and actively participate in one of our university sports teams.
- **Sibling Scholarships:** For students who have a sibling currently enrolled at AUCY.
- **Merit Scholarships:** Based on high academic performance in the Apolytirion.
- **Financial Aid Scholarships:** Available on a case-by-case basis, in consultation with our Financial Aid Director.

Please note: **Students are eligible to receive only one scholarship, and the highest applicable one will be granted.**

#### Undergraduate Admission Requirements

To be considered for admission to an undergraduate program at AUCY, applicants must:

- Have completed their secondary education or equivalent, consisting of twelve years of schooling.
- Hold a high-school leaving certificate or its equivalent, as recognized by the Cypriot Ministry of Education.
- AUCY's English Placement Test

We kindly ask you to share this opportunity with your students and encourage them to reach out to our Admissions Office for more information. Our team is happy to visit your school, provide presentations, or meet individually with students and parents to guide them through the process.

Thank you for your continuous support in shaping the future of our youth.

Sincerely,

**Mr. Farid Haikal**
